

An Invitation To A Party Join The National IAP and The Kansas IAP The Independent American Party

The IAP Stands In Honor of The Declaration of Independence
- American Liberty Is Inseparably Connected To Our Motto "In God We Trust" -
In The Cause of Liberty, Honor Our National Motto and National Heritage

The Independent American Campaign For America Includes Faith in God's Word and in God's Creation of Life Because Without Faith, Liberty Perishes

Fellow Americans,

We need to believe the word of God which says that "the worlds were framed by the word of God, so that things which are seen were not made of things which do appear".

Most people can agree that when we dream in our sleep, those dreams are just illusions of reality. During the dream, we feel that the illusion is real. We soon wake up to our illusion of the real world. By the power of God's word the reality of our world was created. Our illusion of reality is shared with the other creatures of God's creation.

The perception of reality is God's creation. Reality is created by the power of God's word. The illusion of our world is true reality by the power of God's word. God created man in His image with the ability to make choices in the reality of life. When we choose to follow Jesus Christ, our reality is enhanced by the power of faith in God's word.

(Old Testament | Isaiah 45:5 -8)

5 I am the LORD, and there is none else, there is no God beside me: I girded thee, though thou hast not known me:

6 That they may know from the rising of the sun, and from the west, that there is none beside me. I am the LORD, and there is none else.

7 I form the light, and create darkness: I make peace, and create evil: I the LORD do all these things.

8 Drop down, ye heavens, from above, and let the skies pour down righteousness: let the earth open, and let them bring forth salvation, and let righteousness spring up together; I the LORD have created it.

(Heb 11:3)

"Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things which do appear."

God created this mortal world and the stars above with all of the physical laws of nature. When we pass from this world, our illusion of life takes on new perceptions as created according to God's word.

When we pass from this world, our experience of life progresses as promised by the word of God to depend on our faith in following Jesus Christ, the Son of God.

There is no consciousness of any reality that exists outside of the mind of God. All things were made by Him by the power of His word. The reality of our consciousness that exists within the perceptions of mind are all miracles created by God. The greatest miracle is that we were created in the image of God even with the ability to walk as we choose. We are able to walk either in opposition to or in agreement with the mind and will of God as we are taught and as we learn to distinguish between right and wrong.

When a person comes to understand that the substance of things is illusion created by the word of God, that our being and world is God's creation, then that person can understand how faith is a power that can alter things according as the word of God will allow. God is the Creator who has the power to establish what is perceived as reality. When this is understood, we are totally able to believe the power of the word of God.

(Old Testament | Exodus 7:10 - 12)

10 And Moses and Aaron went in unto Pharaoh, and they did so as the LORD had commanded: and Aaron cast down his rod before Pharaoh, and before his servants, and it became a serpent.

11 Then Pharaoh also called the wise men and the sorcerers: now the magicians of Egypt, they also did in like manner with their enchantments.

12 For they cast down every man his rod, and they became serpents: but Aaron's rod swallowed up their rods.

(Old Testament | Exodus 9:13 - 16)

13 And the LORD said unto Moses, Rise up early in the morning, and stand before Pharaoh, and say unto him, Thus saith the LORD God of the Hebrews, Let my people go, that they may serve me.

14 For I will at this time send all my plagues upon thine heart, and upon thy servants, and upon thy people; that thou mayest know that there is none like me in all the earth.

15 For now I will stretch out my hand, that I may smite thee and thy people with pestilence; and thou shalt be cut off from the earth.

16 And in very deed for this cause have I raised thee up, for to shew in thee my power; and that my name may be declared throughout all the earth.

Philosophers through the ages have contemplated the nature of existence and things. They succeed in knowing truth only when they choose to believe the word of God.

The following quote is an example of modern philosophical logic that was edited by Nigel Warburton (<https://aeon.co/essays/theres-no-philosophy-of-life-without-a-theory-of-human-nature>)

"Although de Beauvoir also accepted that existence precedes essence, she was more attuned than Sartre to the ways in which our 'facticity' – the facts of our existence – influence our lives. For example, we can't choose our bodies or the economic and social situations in which we find ourselves, and often we see other people as the immutable banes of our existence. De Beauvoir argues that although we're not free from our natural condition, it doesn't define our essence, which is how we create ourselves out of our facticity. We don't live only to propagate the species as animals do; rather, we are beings who look for meaning in our lives, and we do it by taking risks to overcome ourselves and our situations. This is human nature: perpetually seeking to escape our natural condition, to transcend – surpassing the given – towards self-chosen, concrete goals. But this isn't at all easy, and is one of the reasons why anxiety is a fundamental theme of existentialism. To be human is to live in ambiguity because we are forever caught in a tension between the facts of our lives and the will to overcome them."

(Heb 11:3)

3 Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things which do appear.

(Joseph Smith's Lectures On Faith, first lecture)

12 And as faith is the moving cause of all action in temporal concerns, so it is in spiritual; for the Savior has said, and that truly, that he that believeth and is baptized, shall be saved. (Mark 16:16)

13 As we receive by faith, all temporal blessings that we do receive, so we, in like manner, receive by faith all spiritual blessings, that we do receive. But faith is not only the principle of action, but of power, also, in all intelligent beings, whether in heaven, or on earth. Thus says the author of the epistle to the Hebrews. (11:3):

14 Through faith we understand that the worlds were framed by the word of God: so that things which are seen were not made of things which do appear.

15 By this we understand that the principle of power, which existed in the bosom of God, by which the worlds were framed, was faith; and that it is by reason of this principle of power, existing in the Deity, that all created things exist --- so that all things in heaven, on earth, or under the earth, exist by reason of faith, as it existed in HIM."

Faith is the opposite of doubt. Faith enables people to choose liberty under God in agreement with our American Declaration of Independence rather than to fall to tyranny in agreement with those who support the theory of accidental evolution and the attending perceived need for the engineering of forced population control.

Words that inspire faith can be found in the Bible's holy scriptures, and in the words written in books that many people come to view and respect as scriptures.

(Book of Mormon, Mormon 9:15-20)

"15 And now, O all ye that have imagined up unto yourselves a god who can do no miracles, I would ask of you, have all these things passed, of which I have spoken? Has the end come yet? Behold I say unto you, Nay; and God has not ceased to be a God of miracles.

"16 Behold, are not the things that God hath wrought marvelous in our eyes? Yea, and who can comprehend the marvelous works of God?

"17 Who shall say that it was not a miracle that by his word the heaven and the earth should be; and by the power of his word man was created of the dust of the earth; and by the power of his word have miracles been wrought?

"18 And who shall say that Jesus Christ did not do many mighty miracles? And there were many mighty miracles wrought by the hands of the apostles.

"19 And if there were miracles wrought then, why has God ceased to be a God of miracles and yet be an unchangeable Being? And behold, I say unto you he changeth not; if so he would cease to be God; and he ceaseth not to be God, and is a God of miracles.

"20 And the reason why he ceaseth to do miracles among the children of men is because that they dwindle in unbelief, and depart from the right way, and know not the God in whom they should trust."

People who believe in accidental evolution tend to support population control as being a necessity in order to sustain the quality of life on Earth. Too many of them think that adequate population control can only be achieved by replacing our American values of liberty with tyranny. They will even concur with what William Penn of Pennsylvania said in the late 1600s of early America, "Men must be governed by God, or they will be ruled by tyrants". To them God does not exist, therefore they seek to rule.

An understanding of the substance of the universe comes through understanding the logic of how our perceptions of life and the world have their existence through the power of the word of God. This understanding brings one to have faith in the power of God's word and in the many miracles recorded in scripture such as told in the movie "The Ten Commandments".

By understanding this logic of life and creation, we can understand how a rod became a serpent under the hand of people who had been given the power by the word of God to act upon the perceptions of reality and how the magicians of Egypt were able to duplicate those miracles.

Through logic and faith we can understand that the fabric and substance of all observable reality is only able to exist due to the nature of the mind of God. The reality of everything has existence only because it is created, sustained and held together within the mind of the eternal being of God by the power of His perfect faith to act upon the perceptions of His and, therefore, our reality. In truth, man, this world and the entirety of everything in the universe is nothing except as created in the mind of God by His perfect faith to act upon the perceptions of reality.

God is a being who has consciousness of existence. There can be no consciousness of existence without there being an apparent perception of some object or thing to be conscious of. Since the consciousness of mind does exist, then the objects of perception must also exist. Mind, matter, energy, light, darkness, time and etc are all perceptions of God and are all as eternal as God is eternal. All the energy and material of creation, out of which all observable reality is made, exist by the will of the eternal being of God who is eternal without beginning or end of time.

The laws of creation, all the laws of nature and of nature's God are all eternal. The beginning of time is not found. The universe that is apparent to our senses may have had a beginning here, but it is not the first of God's creations. Within God's reality of eternity, there can be no logical first for the first time a world was created with its observable perceived universe .

(Old Testament | Exodus 3:14 - 15)

"And God said unto Moses, I AM THAT I AM: and he said, Thus shalt thou say unto the children of Israel, I AM hath sent me unto you. And God said moreover unto Moses, Thus shalt thou say unto the children of Israel, The LORD God of your fathers, the God of Abraham, the God of Isaac, and the God of Jacob, hath sent me unto you: this is my name for ever, and this is my memorial unto all generations."

The world that we see and hear through our senses does indeed exist only within the perceptions of our minds. Our individual perceptions of reality exist in common with the other creatures and children of God around us because, we are all part of the reality that exists as created within the mind of God. This is how miracles are wrought through faith especially when performed according to the commandments and will of God.

(Matthew 14:29 - 31)

"And he said, Come. And when Peter was come down out of the ship, he walked on the water, to go to Jesus. But when he saw the wind boisterous, he was afraid; and beginning to sink, he cried, saying, Lord, save me. And immediately Jesus stretched forth his hand, and caught him, and said unto him, O thou of little faith, wherefore didst thou doubt?"

Probably the greatest miracle of creation is that we have been created in His image with our own free will. We have been created by God through His faith to act upon the perceptions of His mind. We have been created with the miraculous ability to act contrary to His mind and will of righteousness. We have been placed here in this world's character development environment with the freedom to choose to walk with God in search of His truth, or we can prefer to stay in ignorance of God's truth and devote our lives to the passing environment of this world with its temporary pleasures, challenges, trials and death. There are also those who have knowledge of truth and become as the sons of perdition who chose to rebel against their Creator.

(Old Testament | Isaiah 45:6 - 12)

"That they may know from the rising of the sun, and from the west, that there is none beside me. I am the LORD, and there is none else. I form the light, and create darkness: I make peace, and create evil: I the LORD do all these things. Drop down, ye heavens, from above, and let the skies pour down righteousness: let the earth open, and let them bring forth salvation, and let righteousness spring up together; I the LORD have created it. Woe unto him that striveth with his Maker! Let the potsherd strive with the potsherds of the earth. Shall the clay say to him that fashioneth it, What makest thou? or thy work, He hath no hands? Woe unto him that saith unto his father, What begettest thou? or to the woman, What hast thou brought forth? Thus saith the LORD, the Holy One of Israel, and his Maker, Ask me of things to come concerning my sons, and concerning the work of my hands command ye me. I have made the earth, and created man upon it: I, even my hands, have stretched out the heavens, and all their host have I commanded."

The time for the event of the creation of our world and observable universe had its beginning at the choice of God. However, we can reason within ourselves that since God is eternal, the attributes of the mind of God are also eternal. As we come to recognize this eternal nature of God, it becomes an impossibility in logic to think that there was no time for creation before our world was created with its observable universe, or that the observable universe that we see is the first and only creation of God out of all time.

Throughout our world's recorded history, philosophers and scientists have written about the nature of existence and reality. Those who do not accept the reality of our Eternal God of creation, continually waste their time in seeking for a different answer.

There are those who prefer to believe in their favorite theory of the world being made out of accidental evolution. They would rather not think about a need to face their time of judgment by their Creator. Perhaps these are people that we read about in 2 Thessalonians 2:11 in the New Testament: "And for this cause God shall send them strong delusion, that they should believe a lie:"

Through faith in the power of God, we believe in Matthew 6:30-33 which says:

"Wherefore, if God so clothe the grass of the field, which to day is, and to morrow is cast into the oven, shall he not much more clothe you, O ye of little faith? Therefore take no thought, saying, What shall we eat? or, What shall we drink? or, Wherewithal shall we be clothed? (For after all these things do the Gentiles seek:) for your heavenly Father knoweth that ye have need of all these things. But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you."

When evil people turn from their evil ways, progress in truth and righteousness could possibly see Earth's populations move into the new frontiers of outer space.

Everyone is invited to share this logic of truth and promote the faith that is needed to preserve American liberty in agreement with our Declaration of Independence and United States Constitution.

This logic of life and creation is published here to help others recognize the power of their Creator. It is published to help people have greater faith in liberty and to have all the blessings of liberty through living by faith in Jesus Christ and through living under our American laws of liberty that are expressed in the Declaration of Independence and written in the United States Constitution.

In the cause of liberty,

Roger Tucker
An Independent American

As mentioned previously, philosophers and scientists have written about the nature of existence and reality. Those who will not accept the reality of our Eternal God of creation, continually search for a different answer. Even so, others choose to search because they love to behold the miracles of God's creations.

The Independent American Party (IAP) stands for law and order under the United States Constitution. It is this great document that provides the standard and the framework of laws that people can live by that enables so very many people to live together in liberty. As we follow the plain logic of the plain truth, as did Abraham Lincoln in his call for the political religion of our nation, liberty for mankind will not perish from the earth.

We welcome your Kansas IAP membership and your support for the National Independent American Party.

For support of, or comments about this Independent American Party patriotic mission you may send correspondence to The Independent American, PO Box 52, Wellsville, Kansas 66092 .
