

**Imagine a political party recognizing that God's Word is King over all creation.**

**Join the Party that recognizes God's Word is King over all creation.**

With faith in their God, the 1776 American patriots fought for and won liberty.

Today in this land of liberty, we vote for liberty under God by voting for people who will honor their oath to keep and defend the laws of the United States Constitution. We also vote for the promotion and support of law enforcement officers who honor their oath to keep the law.

We celebrate our Rights with appreciation for our military troops and law enforcement officers who risk their lives to defend our rights of law and order.

Join with us in the political party that stands up in recognition that God's Word is King over all creation. Join with us against the un-American anti-Christ revolution that seeks to overthrow the Constitution's laws that protect our American God given rights.
